

First-Sunday-in-the-Month ~ Fund Raising Walk.

Sunday 1st October 2017

Departing from

Warren Centre Car Park

Micheldever Station, at 10.30am (promptly)

John Holt has invited us back to view how his water meadow, lakes and bird hide have matured in the 2½ years since we last visited and I took this photograph. We go over Weston Down to Weston Colley where we join the River Dever. Less than a mile along the riverside footpath we enter Private Land by special arrangement with the owners. John will join us to describe the features of his woodland and water meadows.

We expect to meet
John Holt at 12.00

5 miles - may be wet
underfoot in the
water meadows.

Dr & Mrs Guy have kindly given permission for us to walk alongside the Dever River as it passes through their land en-route to John's woodland.

We continue down the valley a short distance to cross the River Dever, walk through the graveyard of Wonston Church, and thence on to refresh at **The Wonston Arms**. This is a small pub and does not serve food. Matt keeps a wide range of Real Ales, Gins etc, soft drinks & snacks. Dogs & children are secure in the fenced pebble garden.

Children must be accompanied by a responsible adult.
Suggested donation of £5 per person - children free
