

Micheldever Youth Club is led by Fiona Watton

Micheldever Youth Club

Monday nights at Northbrook Hall, Micheldever

7.15 to 9.45pm

The evening is very informal so if you are year 7 up you can come along at a time that suits you after 7.15pm

We meet at Northbrook Hall, Micheldever, and in the summer months we can be found at the Lord Rank Playing Fields for part of the evening.

Activities include: football, cooking, cricket, pool, various PlayStation games, table tennis and general support if you need it.

Trips this year have included an evening at JJ's Play area , which we had to ourselves so we really could have some fun , we also regularly go to the cinema and have been paintballing in the Autumn of last year. This summer a group went along to the Ageas Bowl to watch the cricket and some members attended the annual camping trip organised by Streetreach at Fairthorne Manor.

As well as activities we take the opportunity to talk about a variety of issues that affect teenagers, including offering sexual health services, which covers contraception and condom distribution.

Other areas that staff are trained to discuss include:

- Drugs and alcohol
- Smoking
- Education / CV and interview assistance
