

Community Engagement Event - Sat 2nd July 2016

Affordable Housing in Micheldever

Following the success of the previous affordable housing developments at Dever Close and Baron Close, Micheldever Parish Council are considering proposals for further development of affordable housing in partnership with Winchester Housing Trust.

The objective is to provide high quality affordable housing to allow current and future generations to remain in, or become part of, the Micheldever community.

If you, or anyone you know with a local connection (through family or work) to Micheldever, that would be interested in new affordable shared-ownership or rented properties in the village, please come along to the event to listen to proposals for the scheme, and register directly with Winchester Housing Trust.

We are also aware of the growing need for availability of smaller properties, with people looking to downsize and will be considering the inclusion of some open market bungalows within the scheme proposals.

Venue: The Warren Hall, The Warren Centre, Micheldever Station, SO21 3AR.

Date: Saturday 2nd July 2016

Time: 2pm-5pm

If you are unable to attend the event, then please contact Winchester Housing Trust directly below to register your interest.

Website: www.winchesterhousingtrust.co.uk

Telephone: **01256 896 168**

Email: info@winchesterhousingtrust.co.uk

We anticipate significant interest in this scheme so would urge all interested parties to register as soon as possible.

June 2016

Winchester Housing Trust is an independent Charity and a Limited Company incorporated in 1987 to provide affordable housing.
